(b.) In respect to each cougar, not less than one week old when killed, within the Province, forty dollars (\$40).

(c.) In respect of each big-horned owl when killed within the Province, the sum of fifty cents (50c.): Provided that each person claiming the said bounty shall within fourteen days produce the head or carcass of such owl to any Bounty Commissioner and shall satisfy such Bounty Commissioner that the same was killed within the Province. The head or the carcass of each owl shall thereupon immediately be destroyed by such Bounty Commissioner, who is hereby authorized to thereupon pay the said claimant the sum of fifty cents in respect of each big-horned owl killed.

Each applicant for bounty in respect of any timber-wolf or cougar shall, within six months from the date same was killed, produce the entire pelt of the animal to any Bounty Commissioner, and shall upon such production make and subscribe a statutory declaration setting out the fact of his having killed such animal, stating the date on which and the place where same was killed. The applicant, unless he be an Indian, shall at the time produce for inspection his firearms licence.

Every Bounty Commissioner shall examine the ears of each pelt of every wolf or cougar so produced to him, and if a hole be found in either ear the application for bounty shall be refused. In case both ears are found to be intact, a hole not less than one-half inch in diameter shall then be cut in the left ear of the pelt of each animal, and such Bounty Commissioner shall then certify the application for bounty if the same be found to be in accordance with the requirements of these regulations. Such application and certificate shall be in the form prescribed by the Game Commissioner charged with the administration of the "Game Act," and when duly completed shall be delivered by the Bounty Commissioner to the applicant.

Any Government Agent with whom any such application and certificate, completed in accordance with the requirements of these regulations, is deposited within sixty days from the date of such application and certificate may pay to the applicant the amount of bounty payable thereunder: Provided

always that, in respect to bounty on cougars and wolves, the application has been certified by a Bounty Commissioner that the pelts corresponding to the number shown on the application have been submitted to such Bounty Commissioner for identification.

The Game Commissioner, under this Order in Council, has power to appoint any person to certify to any application made for payment of bounty as set out herein, and that a certificate from such duly authorized person, with a copy of his authority attached, when filed with the Government Agent and completed in accordance with the provisions of this Order in Council, shall be sufficient authority for a Government Agent to pay the applicant the bounty set out herein. Every person so appointed by the Game Commissioner shall be known as a Bounty Commissioner.

These regulations shall come into effect as on and from the 1st day of July, 1929.

PRIVY COUNCIL, CANADA.

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Wednesday, the 8th day of May, 1929.

PRESENT:

THE EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

WHEREAS an application has been made by the Department of Indian Affairs for the transfer of Indian reserves comprising certain lands in the Kamloops Agency in the Railway Belt, in the Province of British Columbia:

And whereas these lands have been set aside for and used by Indians for many years, and there are no conflicting claims registered in the Department of the Interior affecting the same:

And whereas, under and by virtue of the provisions of paragraph (a) of section 74 of the "Dominion Lands Act" (R.S.C. 1927, chapter 113), made applicable to the Railway Belt by section 22 of the Order in Council of the 5th October, 1926, P.C. 1512, the Governor in Council may withdraw from the operation of the said Order in Council of the 5th October, 1926, and from the operation of the "Dominion Lands Act," subject to existing rights as defined or created thereunder, such lands as have been or may be reserved for Indians:

And whereas the Indian reserves in question are included in the attached list marked "A"; they have been surveyed and are shown on official plans of the respective townships, or on plans recorded in
